

TOP CLAMP / TOP-BOTTOM CLAMP  
MULTI-PANEL DESIGN

size reference scale view of 24" (w) x 20" (h) panel

**NOTE**

Left column features Top Clamp fittings at both the top and bottom edges of each panel. This is possible with all three sizes of Top Clamps. Alternatively, Top-Bottom Clamps may replace the intermediate hardware in both the small and medium sizes, as seen in right column.
